1. DECISION

Return RTN-2026-00912 is approved in favour of Sam Parker. The full purchase price of 299.99 USD is refunded to the original payment method. The restocking fee is waived in full as a goodwill gesture.

2. AUTHORITY RELIED ON

This approval is made under Provision 2.4 of the Return Policy Manual 2025, the Electronics opened-returns provision: a 14-day window from the purchase date, subject to a 15% restocking fee. Return RTN-2026-00912 was lodged on day 14 and so falls inside that window. The 15% restocking fee of 44.99 USD is waived under the Refund Adjustments note at Section 4, which permits a fee to be waived where a supervisor records a reason. The reason recorded is customer goodwill.

3. CUSTOMER STANDING

Sam Parker is described on the account as a long-standing customer at Silver loyalty tier with a lifetime value of 12,450 USD. The desk treated that history as the reason for goodwill.

4. CHECKS PERFORMED

Receipt verified. Serial number matched the receipt. Packaging intact. No manager escalation was raised and no loss prevention check was requested.
