

THORNE VAUX LLP: RISK AND COMPLIANCE

CONFLICT CHECK MEMORANDUM

Date: 6 March 2026

Prepared by: Rita Okonjo, Head of Risk

Matter: NTL-2026-0114

1. FINDINGS

The firm acts for Meridian Bulk Carriers SA on a secured lending facility, led by James Trelawney and open since 11 September 2024.

Meridian Bulk Carriers SA holds 18 per cent of the issued share capital of Calder Shipping AG. Meridian is not a party to the dispute.

The firm has never acted for Calder Shipping AG.

2. ANALYSIS

Acting for Northwind against Calder does not put the firm in opposition to a current client.

Meridian is a shareholder in the opposing party, not the opposing party. The residual risk is confidential financial information about Meridian reaching the disputes team.

3. DECISION

The engagement may be accepted subject to an information barrier. Kavi Iyer, Adaeze Mensah and Perrine Duval are screened from the Meridian matter. James Trelawney is screened from matter NTL-2026-0114. Neither team may discuss the other's matter.
