Our reference: NTL-2026-0114

Thorne Vaux LLP represents Northwind Trading Limited in the charterparty dispute with Calder Shipping AG. Northwind Trading Limited is our client. Calder Shipping AG is the adverse party.

1. SCOPE

We will advise on and conduct proceedings arising from the alleged repudiatory breach of the time charterparty dated 4 August 2025 for the vessel MV Aurelia, including the LMAA arbitration reference and any enforcement.

We do not advise on the tax treatment of any settlement sum. That exclusion is deliberate and survives any variation of this engagement.

2. THE TEAM

Ms Perrine Duval, partner, supervises. Mr Kavi Iyer, senior associate, has day-to-day conduct. Ms Adaeze Mensah assists on disclosure.

3. FEES

Partner GBP 650, senior associate GBP 420, associate GBP 310, paralegal GBP 165. We estimate GBP 180,000 to the conclusion of the arbitration hearing, excluding counsel's fees. This is an estimate and not a cap.

4. CONFLICTS

We act for Meridian Bulk Carriers SA on unrelated financing work. Meridian is a minority shareholder in Calder Shipping AG. An information barrier is in place between the two teams.
