CREDIT COMMITTEE MEMORANDUM

Facility: FAC-2026-0210

Date: 30 January 2026

Prepared by: Mr Emeka Adeyemi, Head of Credit Risk

1. PROPOSED EXPOSURE

Calder Freight Holdings NV has requested a EUR 180,000,000 revolving facility. The borrower is a logistics group operating across northern Europe.

2. OWNERSHIP

Pallas Maritime Group BV controls Calder Freight Holdings NV, holding 68 per cent of its issued share capital.

Meridian Bulk Carriers SA controls Pallas Maritime Group BV. Meridian holds 91 per cent of Pallas and appoints a majority of its board.

3. RELATED PARTIES

Meridian Bulk Carriers SA is a related party of Calder Freight Holdings NV. Two directors sit on both boards and the treasury function is shared.

4. EXISTING BOOK

The bank already has EUR 240,000,000 of drawn exposure to Meridian Bulk Carriers SA under facility FAC-2024-0071. That facility is performing and was last reviewed in November 2025.

5. RECOMMENDATION

Approve, subject to the group limit being recalculated on a connected-client basis before first drawdown. The individual limits are each within policy; the group position has not been aggregated.
