

GREYFRIARS MERCHANT BANK PLC

Corporate & Institutional Banking, 22 Lombard Court, London EC3V 9AA

CREDIT AGREEMENT SUMMARY

Facility reference: FAC-2026-0512

Date: 2 March 2026

1. THE FACILITY

Facility FAC-2026-0512 lends to Solenne Freight Logistics BV. The facility is a revolving credit facility of EUR 150,000,000 with a final maturity of 2 March 2031.

The facility is governed by the law of England and Wales. Drawings are permitted in euro and sterling.

2. GUARANTEE

Ridgeway Capital Partners NV guarantees facility FAC-2026-0512. The guarantee is unlimited in amount and continues until all obligations under the facility are discharged.

Facility FAC-2026-0512 · continued

3. COVENANTS

Facility FAC-2026-0512 is subject to a net leverage covenant of 3.25x, tested quarterly. It is also subject to an information covenant requiring audited accounts within 120 days of each financial year end.

4. LIMITS

This facility is assessed against the large exposures regime. Aggregate exposure to a group of connected clients may not exceed 25 per cent of Tier 1 capital.

5. BORROWER

Solenne Freight Logistics BV is a road and rail freight operator headquartered in Rotterdam. This agreement records the credit terms only; the borrower's ownership structure is addressed separately by Credit Risk.
