Returns and Customer Care -- Policy Amendment

AMENDMENT AC-POL-2025-07

Reference: AC-POL-2025-07

Issued: 2 September 2025

Effective: 16 September 2025

Issued by: Delia Marchetti, Director of Returns Policy

1. PURPOSE

Amendment AC-POL-2025-07 tightens the Electronics opened-returns provision following the 2025 mid-year review of return rates by category.

2. PROVISION SUPERSEDED

Amendment AC-POL-2025-07 supersedes Provision 2.4 of the Return Policy Manual 2024, the Electronics opened-returns provision, issued 3 June 2024. That provision allowed a 30-day window at a 10% restocking fee. It is withdrawn in full and replaced with the provision below.

3. PROVISION SUBSTITUTED

An opened electronics item may be returned within 14 days of the purchase date subject to a 15% restocking fee. This becomes the new Provision 2.4 of the Return Policy Manual 2025.

Amendment AC-POL-2025-07 -- continued

4. EFFECT ON OPEN RETURNS

A return lodged before 16 September 2025 is assessed under the 2024 wording. A return lodged on or after that date is assessed under the 14-day, 15% wording above.
